

**Wasatch Contemporary Dance Company Choreography Opportunity
-Grad Student Submissions-**

DEADLINE: Saturday, December 8, 2018 before 11:59 PM

Email applications to: wasatchcontemporary@gmail.com

Wasatch Contemporary Dance Company invites local dance graduate students to submit new or existing works for consideration in Wasatch Contemporary Dance Company's May 2018 performance at the Regent Street Black Box. Wasatch Contemporary Dance Company is a professional performance group and registered nonprofit organization in Provo, UT whose mission is to increase professional dance opportunities in Utah, vary the existing arts scene with innovative and exceptional works of contemporary dance, and further develop Utah Valley's potential as a hub for the arts. We are also interested in creating opportunities for dancers at the university level to help them build their resumes and prepare for professional performance and choreography careers.

TO APPLY: Please complete the attached form and include a current resume. We will accept online submissions only (email completed applications to wasatchcontemporary@gmail.com by December 8). Please include video links that are open (not private) or, if necessary, include a password for password-protected links. You may submit up to five video links showcasing your choreographic style, preferably in the form of completed works (as opposed to studio rehearsals). Submissions of new choreographic proposals as well as re-stagings of past works are both accepted, but the choreography must not be performed anywhere along the Wasatch Front in the four months prior to or following the May 2018 concert. Submissions will be adjudicated by a panel that includes WCDC's Artistic Director and Associate Directors.

REHEARSAL SCHEDULE: Please include your preferred rehearsal schedule on the form below. Some options include: a 2 hour weekly rehearsal Jan 22-April 26, a 4 hour rehearsal once a week for 5 weeks, or evening rehearsals every day for 1-2 weeks. Rehearsals will be held at Smash Dance Academy in Provo.

TIME LIMIT: WCDC will only consider works that are 6-10 minutes in duration.

HONORARIUM: Selected grad student(s) will be awarded an honorarium of \$200.

QUESTIONS: Email Artistic Director Jessica Heaton at wasatchcontemporary@gmail.com.
